

## cPanel Web Hosting Login

To login to the cPanel management interface for your web hosting plan do the following:

- Open a web browser (Internet Explorer, Chrome, Firefox, or Safari)
- In the address bar type: <https://cpanel.amplexhosting.com>
- In the login box type your cPanel login
- In the password box type your cPanel password
- Click login.

If you have forgotten or misplaced your password you can use the "Reset Password" link on the cPanel login screen or contact Amplex Support by [clicking here](#).
