

Thank You For Feedback - New Customer

Thank You for your feedback on your new customer installation experience. Amplex reads all feedback submitted and uses it to improve our new customer experience.

Amplex provides one of the best referral programs in the industry, if you refer someone to Amplex internet and they mention your name when signing up you get a free month of service.

There are no limit to the number of free months you can earn. The free month of service for you is applied as a credit to your bill within a week of the person you referred has their service installed.
