<https://www.playstation.com/en-us/network/vue/>

- 40+ top channels including local CBS, ESPN, regional sports networks, and more
- Cloud DVR with 28 days of storage
- Watch up to 5 stream at the same time
- Stream on the go with different devices
- No contracts or long-term commitments

With most streaming services, we recommend our 2x Home Premium Plus for single streams of live TV and the 2x Home Xtreme if you intend on operating multiple streams at the same time.

As you can see, each service offers different programming for different pricing. Most services offer some sort of free trial period before committing to their service and cutting the coax!
